Welcome Back To School!

17 JUL Welcome Back!

The new academic year began with a joyful reopening on 4-6-2025. Our little ones walked in with curiosity and wide smiles, ready to begin a new chapter filled with fun, learning, and laughter. Teachers and staff's gave them a warm welcome, making the first day special with music, games, and storytelling.

Environmental Day Celebration

5-6-2025

KG Section Celebrates Environment Day with Enthusiasm 🌱 June 5, 2025

The Kindergarten section of Chinmaya vidyalaya Naruvamooou 🏡 celebrated World Environment Day with great enthusiasm and active participation from students and teachers. The day began with a special assembly, where teachers shared simple and meaningful messages on the importance of protecting our environment. The young learners were introduced to eco-friendly habits through stories and interactive conversation.

A highlight of the celebration was a short skit performed by the children, which conveyed the message of environmental care in an engaging and joyful manner.

As part of the green initiative, saplings were planted in the school premises, encouraging children to connect with nature and understand the value of trees.

Back in the classrooms, a fun sponge printing activity was held, where children printed beautiful pictures of trees. The activity helped reinforce the concept creatively while improving their motor skills.

Milk Day

Milk Day Celebration

Healthy Start for a Bright Future!

Milk Day was celebrated with great enthusiasm in our school to create awareness among children about the importance of milk in daily nutrition. The celebration aimed to encourage healthy eating habits and highlight the benefits of dairy products.

The event began with a short talk by teachers on the value of milk and how it helps

in the growth and development of children. Various activities were conducted as part of the celebration.

Children participated in a fun "Milk Products Display", where they explored and identified different items made from milk such as butter, ghee, paneer, cheese, and curd.

A creative corner was set up where little ones made cow masks and pasted paper bits on cow pictures, enhancing their fine motor skills while learning through play.

Another highlight of the event was a delightful tasting session where teachers prepared payasam, a traditional sweet dish made with milk, and offered it to the children. The joy of tasting and learning was evident on their smiling faces.

Bicycle Day Celebration

25-6-2025

Bicycle Day was celebrated with great excitement by our tiny tots in Kindergarten. The main aim was to create awareness about the importance of cycling and to promote healthy habits from a young age.

Children brought their little bicycles and tricycles to school and joyfully participated in the event. The school arranged a safe area for the kids to ride,

The highlight of the day was a fun colouring activity, where children enthusiastically coloured beautiful bicycle pictures. This creative session helped to enhance their fine motor skills and imagination while reinforcing the theme of the day.

Reading Day

“Read and Grow” – P.N. Panicker

On June 19, our Kindergarten students joyfully celebrated Reading Day in honour of Sri P.N. Panicker, the pioneer of the library movement in Kerala. The celebration aimed to encourage reading habits among young learners in a fun and interactive way. Another activity was that the children created a Reading Tree using letters. Activities included picture reading, storytelling sessions and board games. The event was a delightful experience for the children and helped to spark a love for books and stories at an early age. The day highlighted the importance of reading as a foundation for learning.

GLIMPSE OF CLASSROOM ACTIVITIES

Our classrooms buzzed with energy as children immersed themselves in a range of engaging activities. From joyful rhyme sessions and storytelling to colourful art and hands-on learning, every moment was filled with curiosity and creativity. These activities not only made learning fun but also helped build confidence, communication, and teamwork among our little learners.

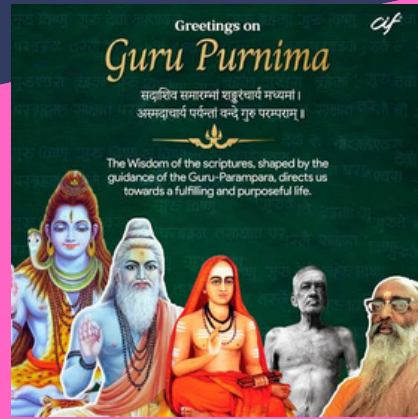

Glimpse of classroom activities

These activities aim to spark creativity, build curiosity, and nurture foundational skills through fun and interactive methods.
