RED DAY

2/07/2025

Red Day was joyfully celebrated on July 2nd, 2025, in our Vidyalaya to help children recognize and understand the significance of the colour red. All the children came dressed in full red-coloured attire, creating a vibrant and cheerful environment.

Red symbolizes courage, love, and energy. To mark this special day, each child brought one red-coloured object from home, which was beautifully exhibited in the classroom.

Emoji Day Celebration at Our Vidyalaya - 17th July

On 17th July, we joyfully celebrated International Emoji Day at our Vidyalaya. To mark the occasion, each student proudly wore a smiley badge, bringing cheerful energy to the entire campus.

As part of the Chinmaya Vision Programme (CVP) activity, children participated in a fun-filled drawing task from their CVP drawing books. They were encouraged to draw and colour emojis—especially the classic yellow smiley face—nurturing both their creativity and emotional expression.

Teachers took this opportunity to introduce students to a variety of emotions beyond just happiness. Through engaging in storytelling and interactions, children learned about different feelings such as anger, sadness, and surprise, helping them better understand and express their own emotions through a bit of body text.

DOCTORS' DAY CELEBRATION AT OUR VIDYALAYA

WE CELEBRATED DOCTORS' DAY AT OUR VIDYALAYA WITH GREAT ENTHUSIASM AND LEARNING. THE DAY WAS FILLED WITH MEANINGFUL ACTIVITIES THAT HELPED CHILDREN UNDERSTAND THE VALUE OF DOCTORS AND THE ESSENTIAL ROLE THEY PLAY IN OUR LIVES.

TO MAKE THE CONCEPT MORE RELATABLE, WE ORGANIZED A ROLE-PLAY ACTIVITY. THE SCENE BEGAN WITH A MOCK ACCIDENT, WHERE A CHILD PRETENDED TO BE INJURED. TWO OTHER CHILDREN CAME FORWARD TO HELP, SHOWING CARE AND QUICK THINKING. THEY TOOK THE INJURED CHILD TO A HOSPITAL, WHERE ANOTHER STUDENT TOOK ON THE ROLE OF A DOCTOR, TREATING THE PATIENT WITH COMPASSION.

ALL THE CHILDREN WORE DOCTOR'S COATS, ADDING TO THE EXCITEMENT AND REALISM OF THE ACTIVITY. A PHOTO SESSION FOLLOWED, CAPTURING THE JOY AND ENTHUSIASM OF OUR YOUNG "DOCTORS."

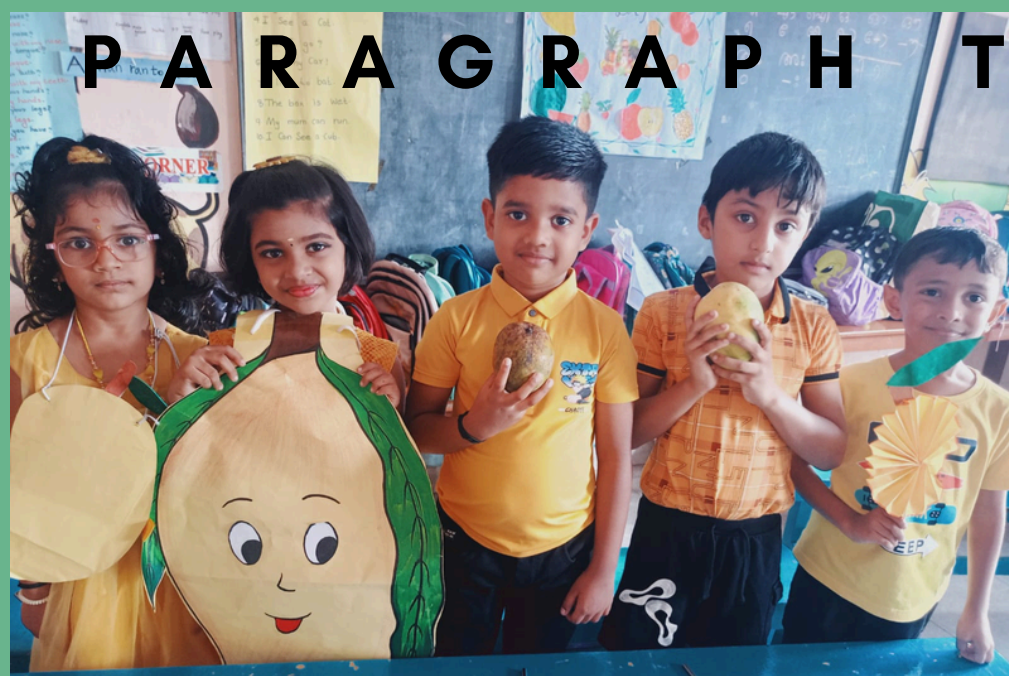

mango day

Our Vidyalyaya celebrated Mango Day with children dressed in yellow. They brought mango cutouts, real mangoes, and enjoyed mango-themed snacks. Teachers introduced different varieties of mangoes, taught a rhyme, and guided mango drawing and coloring.

As part of the day's activities, children spoke a few lines about mangoes, and one student conducted a short GK quiz on mango-related facts. The atmosphere was filled with joy and learning, and all the children thoroughly enjoyed the day's activities.
