

SYNAPSE SPARK

GRADE :- IX - XII JUNE - OCTOBER

THE SOCIAL EXPLORATORIUM

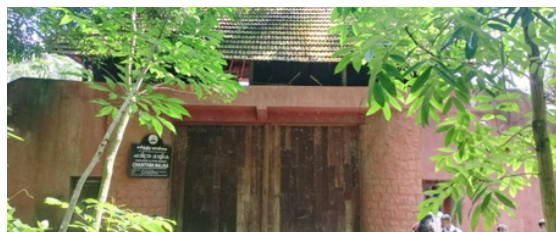

Voice of Young India

Students participated in the Young India Parliament, a dynamic platform for youth to discuss democracy, governance, and nation-building. Through debates, panel sessions, and mock parliamentary activities, they gained exposure to national issues and policymaking. The experience strengthened their public speaking and analytical skills, boosted confidence in expressing ideas, and nurtured teamwork, leadership, and a deeper understanding of democratic values.

"A Walk Through Travancore's Timeless Treasures"

Students visited Charithra Malika History Museum, Amaravila, and explored antiques, manuscripts, and traditional Kerala architecture reflecting the rich heritage of Travancore. The visit helped them understand history more vividly, appreciate the importance of preserving culture, and learn about the scientific and architectural innovations of the past.

"Boon, Bane, or Balance?"

On World Population Day, the school conducted a debate on "Population Growth: Boon or Bane?" where students actively presented arguments on challenges and opportunities of rising population. The event enhanced their awareness, critical thinking, and confidence in public speaking.

"Young Voices, Big Impact: Namitha & Rudra Shine at Yi Parliament"

Namitha G. S. and Rudra R. Nair represented their institution at the Young Indians Parliament – Regional Level, where they gained valuable exposure to parliamentary processes, strengthened their public speaking and leadership skills, deepened their awareness of national challenges, and were inspired to contribute actively towards community and nation-building.

THE SOCIAL EXPLORATORIUM

Igniting Young Minds: Startup & Leadership Training

"Startup Awareness and Leadership Training, organized by the Kerala Startup Mission for 9th and 11th-grade students, was conducted in our Vidyalaya by the students of Trinity College of Engineering and Technology."

"Saga of the Land"

"Words that Connect: Reading to Knowledge"

As part of Reading Week on the theme "From Reading to Knowledge," students explored Malayalam literature through reading, book reviews, and poster-making. They built empathy by reflecting on characters they related to, expressed creativity through role plays and presentations, and promoted a culture of reading by donating books to Pustaka Thottil. The programme nurtured literary knowledge, critical thinking, empathy, and creativity, with enthusiastic participation and a deeper appreciation for Malayalam literature.

“Voice of Shakuntala: A Quest for Justice”

Students explored the story of Dushanta and Shakuntala from the Mahabharata, reflecting on the emotions of a wronged woman and the values of justice. To bring this to life, they staged a judiciary hearing skit, which fostered empathy, critical thinking, and awareness of fairness while making the learning experience engaging and meaningful.

“Malayalam: Our Language, Our Legacy”

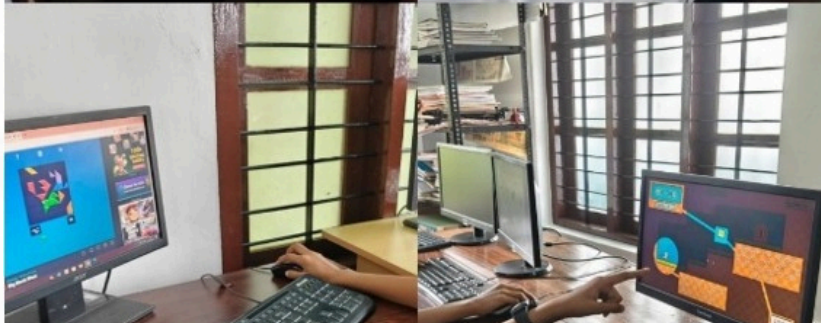

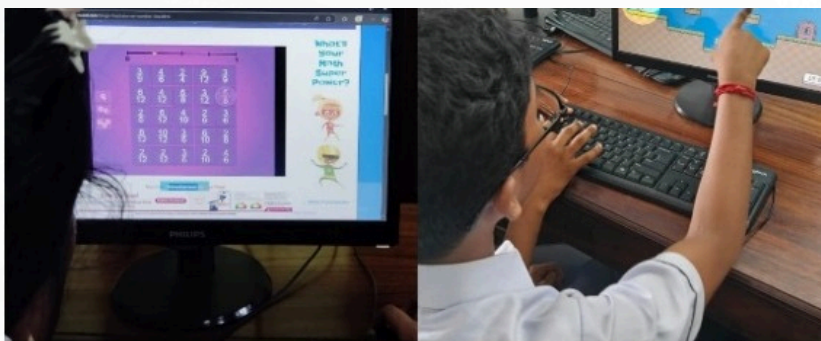

With the learning objective of understanding the importance of studying Malayalam and its rich literature and culture, Grade XII students conducted a seminar on “The Importance of Studying Mother Tongue Malayalam” under the CVP aspect Universal Outlook. Hari Priya led the session with a PowerPoint presentation, highlighting the value of the language, its literature, and cultural heritage. Students actively participated through discussions and later prepared essays on the topic for internal assessment.

Basheer’s Legacy: Inspiring Generations through Literature

The Malayalam Department observed Basheer Remembrance Day through Chin Tharang FM, with poet Manju Vellayani as guest and a Class 12 student’s storytelling of Mucheettukalikkaranthe Makal, helping students appreciate Basheer’s legacy, imbibe cultural values, and enhance their creativity, communication, and performance skills.

THINK TANK CORNER

“Cracking Puzzles, Sparking Minds: Math Meets Technology!”

On Math 2.0 Day, Grade IX students took part in “Math + Technology = Fun Learning!” activities aimed at applying logic, spatial reasoning, and problem-solving through online Sudoku, math mazes, and puzzles. The session promoted teamwork, curiosity, and confidence, making math enjoyable and relevant beyond textbooks.

"Spiraling into Square Roots!"

Students will construct a Square Root Spiral using a ruler and compass to visualize square roots, apply the Pythagorean Theorem, and understand irrational numbers. Starting with a unit right triangle, each new hypotenuse represents $\sqrt{2}$, $\sqrt{3}$, up to $\sqrt{17}$, helping students see the growth of square roots and the beauty of math patterns.

LIT & WIT CORNER

"Pen It to Win It"

An Essay Writing Competition was organized to promote creativity, critical thinking, and effective expression among students. Through writing on given topics, participants enhanced their vocabulary, grammar, and ability to organize ideas coherently. The event not only boosted their confidence in written communication but also fostered originality, clarity of thought, and a deeper love for language.

HINDIVERSITY

EXPLORING GOVERNANCE: A LEARNING VISIT TO KERALA SECRETARIAT

Our students visited the Kerala Secretariat in Trivandrum. The visit provided insights into the functioning of various departments and the overall workings of state administration. Students learned about administrative procedures, file processing, inter-departmental coordination, and the importance of efficiency and transparency in governance. It was an informative and enriching experience.

EXPERIMENT ALLEY

GREEN PROMISE: WORLD ENVIRONMENT DAY

Chinmaya Vidyalaya, Trivandrum South, celebrated World Environment Day on June 5, 2025, with the inauguration of its Eco Club on the theme “Ending Plastic Pollution Globally.” The event featured inspiring talks by Principal Smt. Lalithambika R S and poet Smt. Anuja Ganesh, along with sapling plantation, cultural performances, and the SEED Fingerprint Tree pledge. Students also participated in slogan writing, poster making, colouring, video, and tree-planting activities, all aimed at inspiring them to reduce plastic use, protect nature, and commit to a greener tomorrow.

BEYOND THE SKY: NATIONAL SPACE DAY

Chinmaya Vidyalaya, Thiruvananthapuram South, celebrated National Space Day on 23rd August 2025 with activities from painting and poster making to rocket models, PPTs, and videos. Students learned about space and India’s achievements, fostering curiosity, teamwork, and creativity, while the theme “Sky is not a limit, it’s just the beginning” inspired them to dream beyond. Learning Objective: To spark scientific curiosity, encourage innovation, and motivate students to explore and express ideas about space through creative activities.

ONE DAY AS A SCIENTIST

Students Omkarnath Abhinav S. Nair, Shivani R. Prem, Vaiga, Isha Sreejith, and Namitha experienced a day as scientists at CSIR, exploring laboratories, hands-on experiments, and research activities. Awarded certificates for their participation, the students gained inspiration, curiosity, and a deeper appreciation for science and innovation.

सीएसआइआर - राष्ट्रीय अंतरविषयी विज्ञान तथा प्रौद्योगिकी संस्थान

CHAMPIONS' SPOTLIGHT

"RISING STARS: ANANTHAPADMANABHAN & ADIDEV SELECTED FOR KERALA THROWBALL TEAM"

Ananthapadmanabhan and Adidev P. Nair have been selected to represent the Kerala State Team at the 30th Sub Junior National Throwball Championship held in Nagpur, marking a proud achievement that highlights their talent, dedication, and sporting excellence.

"SHINING AT THE 10TH SENIOR NATIONAL MINI GOLF CHAMPIONSHIP – NAGPUR"

Our students brought laurels at the 10th Senior National Mini Golf Championship, Nagpur, showcasing skill and teamwork. Arshik S. Sajan won Bronze in Stroke – Men's Team Event. Vishnu Sai bagged Bronze in Speed – Men's Doubles and Silver in Men's Team Event. Navaneeth Chandran secured Silver in Speed – Men's Team Event, while Arjun Narayanan clinched Bronze in Speed – Men's Doubles and Bronze in Stroke – Men's Team Event.

"GOLDEN GLORY AT SOF NATIONAL SCIENCE OLYMPIAD 2024-25"

Shreya Mahesh of Class 12 brought pride to the institution by winning the Medal of Distinction along with the prestigious Gold Medal of Excellence at the SOF National Science Olympiad 2024-25, showcasing her outstanding scientific aptitude and dedication.

Shining Bright with Excellence!

Sivasoorya V.P. of our Vidyalaya has been honored with the MKR Award for Excellence by the Bhartiya Khadya Nigam Karamchari Sangh, Kerala Region. This prestigious recognition celebrates outstanding performance and exemplary achievements in academics and co-curricular activities, reflecting true dedication, creativity, and a relentless pursuit of excellence.

CREATIVE SPARKS AT INFNI!

Our Vidyalaya students showcased their imagination and talent at INFNI – the Interschool Art and Craft Contest conducted by Chinmaya Vidyalaya, Kollam. The event provided a vibrant platform for young artists to express their creativity, exchange ideas, and celebrate the spirit of artistic excellence.

CREATIVE SPARKS AT INFNI!

Arjun Narayanan M. S. of Class IX H made our Vidyalaya proud by winning the Encouragement Prize (Cash Award) in the National Level Painting Competition held on International Coastal Cleanup Day. The event was organized by the Government of India, Ministry of Environment, Forest & Climate Change, and the National Museum of Natural History.

GOLDEN TRIUMPH IN RAMAYANA DISCOURSE

Ramayana Discourse Competition held at Neyyattinkara Sreekrishna Swamy Temple, our Vidyalaya student achieved the prestigious Gold Winner Award. This remarkable achievement reflects the student's deep knowledge, dedication, and eloquence in presenting the timeless values of the Ramayana.

YOUNG INNOVATORS SHINE BRIGHT!

The Young Innovators Programme (YIP), a flagship initiative of the Government of Kerala, empowers students to design creative solutions for society's needs. We are proud to announce that Dheeraj S., P.S. Lalkrishna, and Gaureswar B.R. of Std. XII have been selected for the District Level of YIP, showcasing their outstanding critical thinking, creativity, and problem-solving skills.

Stepping Into Science: A Day at CSIR

Students Omkarnath Abhinav S. Nair, Shivani R. Prem, Vaiga, Isha Sreejith, and Namitha experienced a day as scientists at CSIR, exploring laboratories, hands-on experiments, and research activities. Awarded certificates for their participation, the students gained inspiration, curiosity, and a deeper appreciation for science and innovation.

Gliding to Glory!

Samson Roshan of Chinmaya Vidyalaya, Thiruvananthapuram South, for winning Silver Medals in the One Lap Road In-Line (U-19) and 300m In-Line (U-19) at the CBSE South Zone National Roller Skating Championship. Your hard work and determination have truly made us proud!

Rolling to Success!

In the CBSE South Zone Sahodaya Roller Skating Competition, Yuvan R. Nandan of Class 4C secured a Silver Medal. 🏅👏 We are proud of his achievement and wish him many more victories ahead!

Touchdown Triumph!

Our Junior Boys Team brought glory to the school by winning the Gold Medal in American Flag Football. Congratulations, Champions!
